Title: Quest Of Valadar

Author: Mirime Atlantia

---

Daughter, ye shalt not  
sleep this night,  
Come out among the  
stars,  
And hear the tale of kin  
and flight,  
A secret oath to find a  
keep,

Upon the questing elven  
ship -  
Beloved Eambar.

Your father's father,  
Valadar,  
With curiosity,  
Awoke in fragrant fields

afar,  
Irmo's land of sight and  
dreams,  
He heard a call through  
wind and storms,  
"Illuvar summon thee."

So sworn to be a

Venturer,  
He sailed to distant seas,  
Dropped anchor off the  
Isle of Dagger,  
Found Snowy lands and  
giant men,  
Spied Eru's seed: a tall  
white-mained maid,

Ensconced within their  
keep.

Vows exchanged, elf and  
giant blessed,  
Young Valadar fulfilled his  
quest.  
End.
